NOTE: All non-members need to have the following info available when you call the Central Entry System to enter the rodeo. Name, Hometown, Date of Birth, Social Security Number, events you wish to enter, performance preference and phone number. Call as early after 8 AM as you like but the lines may be bus so keep trying. When you get thought and you've given your info you'll likely be told to call back at a certain time to verify your entry has been accepted. (IPRA cardholders always have first preference so their entries have to be sorted first). If you don't call back as instructed you will not be entered. When your entry is accepted, ask for a confirmation number and be sure that you bring it to the rodeo with you. It's your only protection against errors. If you are under the age of 18, you must have a signed and notarized parental release form on file with the OPRA before you ENTER the rodeo. If you need one, go to www.iprarodeo.com and click on membership. If you download the membership application the back has a release form on it. Have a parent or Legal guardian complete and have it notarized.

If you have questions or issues during entry please call the Big Hat office at 815/64-1957
