2018 IBA POINTS SYSTEMS

The IBA Points Show Program is an opportunity for additional recognition and rewards exclusively for members of the Illinois Junior Beef Association (IJBA). The 2018 Points Show Program begins on January 1, 2018 and ends on October 1, 2018. Sanctioned shows and current points to date will be listed on the Illinois Beef Association website (www.illinoisbeef.com). Members should check the website frequently for updates.

Sanctioned Shows

1. In order to be qualified as a sanctioned show, a registration form must be completed and received by the Illinois Beef Association at least 14 days prior to the date of the event.
2. Sanctioning fees for 2018 are \$100. The fees must accompany the registration form. The registration form is available on the IBA website and has been mailed to previous sanctioned shows.
3. Sanctioned county fairs must be open to any IJBA member in the state.
4. Only one sanctioned show per county, per day, will be permitted.
5. Sanctioned shows must report results by breed and cattle gender. If the results are not reported by breed and cattle gender, the IJBA members for that show will not be eligible for earning points from that show and the show will be disqualified for the 2018 Point Show Program.
6. Sanctioned shows are required to check registration papers to verify that the ownership of the cattle is in the name of the IJBA member in order for points to be awarded for that IJBA member.
7. Sanctioned shows cannot close their entries prior to their posted entry deadline.
8. If an IJBA member breaks the rules of the sanctioned show and the event chooses to bar the exhibitor, refuses to pay the exhibitor premiums, or elects not to recognize the exhibitor's placing, then the exhibitor will not be eligible to receive any points for that show.
9. Placing results for IJBA members are due within 30 days of the date of the show. The registration packet includes instructions for submitting the results and the accepted format of reporting the IJBA member placing.
10. The closing date for all finalized results will be October 1, 2018. This includes shows that have disputed results or incomplete reports. No results will be accepted after the closing date for any reason.

IJBA Members

1. Participants must be members of the Illinois Junior Beef Association (IJBA).
2. A "junior" is subject to the age requirements set forth by each particular junior show. (Example: IL Beef Expo allows age 9-21; IL State Fair allows age 10-18; most County Fairs allow ages 8-18).
3. To be eligible for year end points awards, the IJBA member must exhibit at three or more sanctioned point shows.
4. All points recorded in a class are based upon the actual number of cattle that enter the show ring for that particular class.
5. Points are earned on the following basis:

# Exhibited Head In Class	Class Placing						
	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th
1	5						
2-3	10	5					
4-5	15	10	5				
6-10	20	15	10	5			
11-15	25	20	15	10	5		
16-20	30	25	20	15	10	5	
21 +	35	30	25	20	15	10	5

6. When an IJBA member's animal is named Champion of any breed, he/she will also receive the number of points that were awarded to the class winner of the largest class within that breed. The Champion points are in addition to the number of points the IJBA member earned in their original class.
7. When an IJBA member's animal is named Reserve Champion of any breed, he/she will also receive the number of points that would have been awarded to the original class.
8. Only the two highest placing cattle per breed, with a maximum of four breeds of heifers (8 head) and four breeds of steers (8 head) will be recorded each IJBA member at any one show. Crossbreds or AOB are considered breeds.
9. No points will be awarded for division champions, reserve champions or bred/owned classes.
